The facts of the case are briefly
noted below:—

(Very?) S no. 1 measuring ^a 6-29 ^g
and assessed at ^{to} 5-8-0 ^{as p3} originally and
Inam in the matt kharfe was in the
year 1881-2, resumed to Govt, as the
Rahinatdar did not agree to pay the
enhanced assessment imposed under ^{Khalas} ~~Darkhar~~
rules, and disposed of under Darkhar
Rules. Subsequent orders of Govt directing
the restoration of Khalas lands to the
instit^{ns} concerned could not be applied
to this case, as the holder of the resumed
land was unwilling to give it over
to the inst^{ns}

The petr^{ns} having urged for other

measuring ^a3-10 and assessed at ~~Rs~~ 3/ was given to the matt free of malke on condition of paying the assessment. The pet^r has executed a ^xmutchalika on 1-1-09 stating that the Patta of the above land may be made in the name of the matt and that she will appropriate the income therefrom ^{for} ~~from~~ the matt.

Her present contention is that she pointed out some 4 or 5 acres of land in front of Veerabhadra Devam temple and that the Shambhogue registered some other strip of land in the name of the matt, and therefore prays that the resumed land may be ordered to be given over to the Datta.

To C. Bala Subram Esq Esquire

Bangalore.

Sir, With reference to your official memorandum No 7981 dated 20-1-11 dated 23 January 1909 forwarding for report a petition No D 350 dated 10th December 1908 received from Suddama bha of Sudihal village in the Hosangur Taluk, I have the honor to state that S 801 of Sudihal village was originally granted as Inam to the Jangam Mutt of the place. In the year 1881-2 an additional assessment was levied on the land under Khalsat rules. The then managers of the Mutt having declined to pay the additional tax it was resumed to government. Subsequently one Samaya Rangiah applied for the same under Dakkhast rules and obtained it in the usual course. When the list of Khalsat lands was revised, it could not be restored to the institution as the owner was not willing to part with it.

2. On the repeated request of the present manager (the petitioner alluded to above) another Government waste land was proposed to be given free of maliki provided that the assessment levied thereon was paid regularly to Government. The petitioner having accepted this arrangement, S No 211 measuring 3-10 acres assessed at Rs 3-00 has now been given over for the use of the Mutt in question.

3. The petition received with the memorandum is herewith returned together with the records of the case. I have the honor to be

Sir

Your most obedient servant

B. M. Subram
